Reject quotation request

Ulf Kronsell - 2023-10-16 - [Quotation Requests](#)

It is possible to reject a quotation request as long as the request has the status **Unanswered** (a quote has not been sent to the customer). **NOTE!** It is also possible for customers to cancel quotation requests, for instance if they have entered incorrect information and wants to redo the request.

Rejecting a quotation request is done in the following way.

Click the quotation request you want to reject.

The screenshot shows the 'Quotation request' page in the SKOLON system. The left sidebar contains navigation links: Home, Statistics, Economy, Licence management (selected), and Tools. The main content area has a breadcrumb trail: Licence management / Quotation request. Below this is a 'Quotation request' section with a search bar and a 'Filter' button. A table lists the quotation requests. The first row is highlighted, showing a school name (redacted), 'x 1' tools, a date of '08/08/2022', and a status of 'Unanswered' (highlighted with a red box). At the bottom, there are links for 'Terms of Service' and 'Support'.

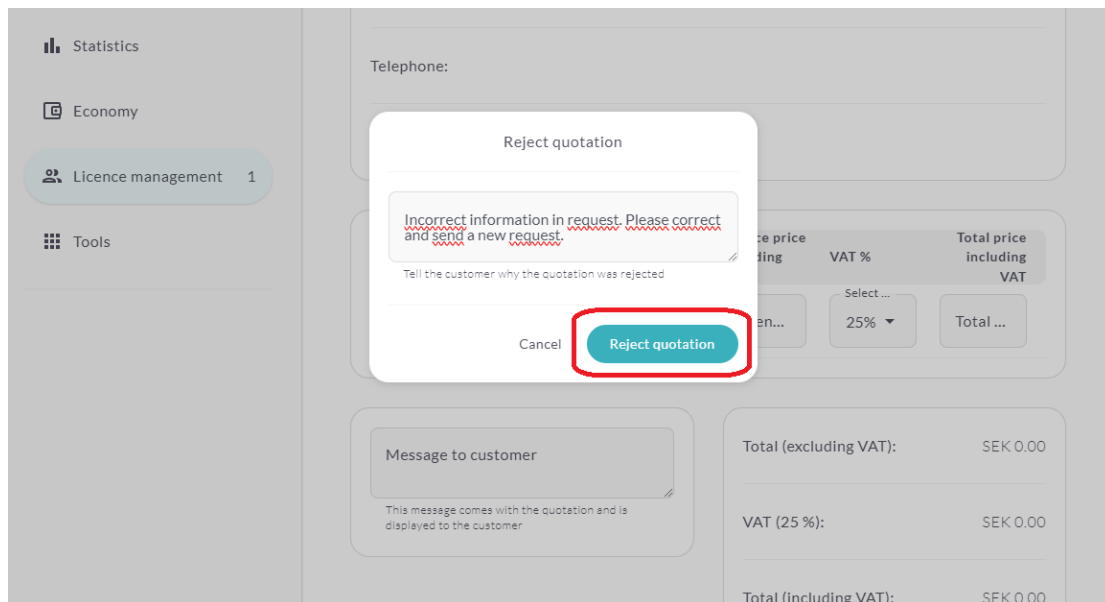

School	Tools	Received	Status
[Redacted]	x 1	08/08/2022	Unanswered

Click **Reject quotation**.

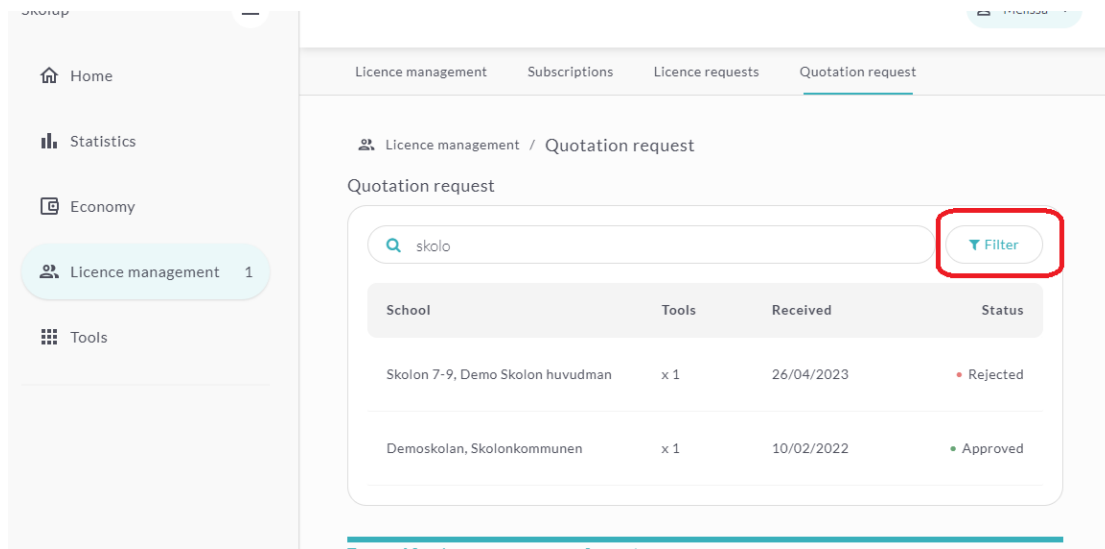

The screenshot shows the 'Reject quotation' form. The left sidebar is the same as the previous screenshot. The main content area has a breadcrumb trail: Licence management / Quotation request. Below this is a 'Reject quotation' section. It includes a 'Telephone:' field, a 'Message from customer:' field, and a table showing the quotation details. The table has columns: Tools, Licences, Number of users, Licence price excluding VAT, VAT %, and Total price including VAT. The first row shows 'Skolup' as the tool, 'x 1 Organisation licence 12 months' as the licence, 'x 0' as the number of users, 'Licence ...' as the price, '25%' as the VAT rate, and 'Total pri...' as the total price. Below the table is a 'Message to customer' field with a placeholder text: 'This message comes with the quotation and is displayed to the customer'. At the bottom right, there are three summary rows: 'Total (excluding VAT): SEK 0.00', 'VAT (25 %): SEK 0.00', and 'Total (including VAT): SEK 0.00'. Below these is a 'Reject quotation' button (highlighted with a red box) and a 'Send quotation' button.

Tools	Licences	Number of users	Licence price excluding VAT	VAT %	Total price including VAT
Skolup	x 1 Organisation licence 12 months	x 0	Licence ...	25%	Total pri...

Write a message to the customer explaining why the request is rejected. Click **Reject quotation**.

You can filter the quotation requests by **Rejected** (supplier) and **Cancelled** (customer). Click the **Filter** button.

Select which of these statuses you want to filter on.
