

Delete discount ladder

Ulf Kronsell - 2023-07-03 - Discounts

Click **Economy** and then **Discount codes** in the left menu. Click the tab **Discount ladder**. Click the discount ladder you want to delete, in the bottom right corner click the button **Remove**.

NOTE! Orders/Licences with automatic renewal (subscriptions) will still get the discount from the discount ladder, even after it's been deleted, for subsequent renewals as long as the subscription is running.

The screenshot shows the Skolon web interface. On the left is a sidebar menu with options: Home, Activated demos, Economy (selected), Licence management (8), and Tools. The main content area has tabs for Order history, Discount codes, and Discount ladder (selected). Below the tabs, there's a breadcrumb: Economy / Discount codes / Discount ladder. A filter bar at the top has 'School' (selected), 'Tools', and 'Discount'. Under 'Select school', a note states: 'Not all schools in Skolon are shown, only schools that use or have used your tools via Skolon. However, if you choose "All schools in Skolon", the discount ladder will be applied to "all". New schools are also added automatically.' Below this is a table with columns: School, Status, Discount link, and Number of schools. The table has two rows: 'All schools in Skolon' (unchecked checkbox, status '-', discount link '-', number of schools 'Information missing') and 'Skolonkommunen' (checked checkbox, status 'Existing customer', discount link '-', number of schools '4'). At the bottom right, there are buttons for 'Remove' (highlighted with a red box) and 'Save'. The footer contains links for 'Terms of Service' and 'Support'.

School	Status	Discount link	Number of schools
<input type="checkbox"/> All schools in Skolon	-	-	Information missing
<input checked="" type="checkbox"/> Skolonkommunen 115 teachers, 4436 students	Existing customer	-	4

Confirm removal by clicking **Remove**.
