

## Reject quotation request

Ulf Kronsell - 2023-10-16 - Quotation Requests

It is possible to reject a quotation request as long as the request has the status **Unanswered** (a quote has not been sent to the customer). **NOTE!** It is also possible for customers to cancel quotation requests, for instance if they have entered incorrect information and wants to redo the request.

Rejecting a quotation request is done in the following way.

Click the quotation request you want to reject.

Reject quotation Send quotation

Write a message to the customer explaining why the request is rejected. Click **Reject quotation**.

The screenshot shows a 'Reject quotation' dialog box. It contains a text area with the message: 'Incorrect information in request. Please correct and send a new request.' Below this is a smaller text area labeled 'Tell the customer why the quotation was rejected'. At the bottom of the dialog are two buttons: 'Cancel' and 'Reject quotation'. The 'Reject quotation' button is highlighted with a red rectangle. In the background, a 'Message to customer' text area is visible, along with a summary table of costs.
